ACKNOWLEDGEMENT

It is our proud privilege and duty to acknowledge the kind help and guidance received from several persons in preparation of this project.

First and foremost, we wish to record our sincere gratitude to Management of this college and to our beloved principal, **Dr Praveen Chitti, Maratha Mandal Engineering College**, Belagavi for his constant support and for making available library and laboratory facilities needed to prepare this project.

Our sincere thanks are also due to **Prof. Swati Patil**, Head, Department of Computer Science and Engineering MMEC, Belagavi for the valuable suggestions and guidance through the period of preparation of this report.

We would like to express our sincere thanks to **Prof. Madhu Salunke** Assistant Professor and project coordinator, Department of Computer Science and Engineering MMEC, Belagavi for his continuous guidance and support from beginning to completion of this project.

We express our sincere gratitude to our beloved guide, **Prof. Mahesh Marigeri**, Assistant Professor in the Department of Computer Science and Engineering MMEC , Belagavi for guiding us in investigations for this project.

We would also like to extend our heartfelt gratitude towards the entire Department of Computer Science and Engineering MMEC, Belagavi, for their continuous support throughout the project work which would otherwise be impossible.

Last but not the least, we wish to thank our family members for financing our studies in this college as well as for constantly encouraging us to learn engineering.

Place: Belagavi

Amruta P Yadav (2MM21CS006)
